Letter No N E 24/53-54 dated 9 5 53 from the Commissioner, Dawanagere Municipality, (through the President) forwarding for sanction the resolution of the Municipal Council for the grant of Site No 11/1 in front of the Electric Colony, V ward, Dawanagere City, to Simaku Bellana Ningamma

Reg. A

The Sketch of the Site is forwarded the Situation of the Vacant land is such that it forms a Corner Site bounded by Hadadi road on the one side and by 8th "cross road" on the other. The Vacant land could easily form an independent Site and a Valuable one too and is likely to fetch more money to the Municipality if sold by auction. The records also disclose that this is a Valuable bungalows site in a prominent locality. This Municipality is not at all very sound financially. In the circumstances, it is for orders by the Municipal Council should not be requested to dispose of the Site by public auction fixing an upset price

From the Sketch it is seen that Site in question is a Corner Site and it may be ordered to be auctioned
